The Baby Bottle Campaign

FILL A BOTTLE, SAVE A LIFE. FOR SHADY GROVE PREGNANCY CENTER

Baby Bottles filled with coins, cash, and checks – that's **The Baby Bottle Campaign**.

A simple way to raise thousands of dollars to save lives.

Each year, the money raised from individual churches and schools through a BBC helps **support those facing unplanned pregnancies and their babies.**

The Baby Bottle Campaign helps provide the following free services to moms, dads, and babies in Montgomery County who are in need, through the ministry of the Shady Grove Pregnancy Center.

Pregnancy Testing

Limited Sonograms

Options Counseling

Parenting Education

Community Referrals

Material Assistance

HOW IT WORKS:

You choose when you will run your campaign. Once a campaign season (4-6 week period) has been decided, our Center will provide you with the baby bottles and promotional materials. After promoting the campaign, distribute the bottles to your church to take home. Individuals and families will fill the bottles with coins, checks, or cash during the duration of the campaign. At the end of the campaign period, members return the bottles to you. Our Center will come collect the bottles and send you the total donated by your church members or school.
